TOTAL POINTS 1

1. What do we mean by more layers of abstraction results in less ethical behaviors?

1 / 1 point

- ☒ All of the above
- ☐ If we deal with people through intermediaries, they feel less like real people to us
- ☐ Talking to people indirectly results in less of a felt need to consider their feelings
- ☐ People are more likely to be ok with ordering a drone to kill someone than to be ok with killing someone personally with a knife
